Psalms 139:13-15

For you created my inmost being;  
you knit me together in my mother's womb.  
I praise you because I am fearfully and wonderfully made;  
your works are wonderful, I know that full well.  
My frame was not hidden from you when I was made in the secret place.  
When I was woven together in the depths of the earth,  
your eyes saw my unformed body.

As I look at babies before they are born, through ultrasound, I am reminded of God's love and knowledge of us. When I see healthy, normal children, I rejoice. When I see anomalies, I know the Lord already knows all about this child.

I pray God guides me and opens my eyes so I can see what I need to see for the doctors and the parents. I also pray I am open to God's guidance in my words and actions to the parents.
